## Writing for Different Purposes

1. Write a paragraph with the purpose to persuade.

Want to have a dessert and be healthy too? Then, eat an apple pie from Al's Food Store today! You'll get a serving of fruit and a heavenly sweet taste all at the same time. Al's Food Store's pies are made with fresh apples right in the store, so you're guaranteed to get that home-baked taste without all of the work!

2. Write a paragraph with the purpose to inform.

Al's Food Store's apple pies are made with flour, apples, sugar, and cinnamon. One serving of pie has 4.4 g of fiber and 5.8 g of protein. It also has 653.9 calories. A person can buy one of these pies for \$8.99.

3. Write a story or poem with the purpose to entertain.

Kendra's most favorite food in the world was apple pie. If she could, she would eat it for breakfast, lunch, and dinner. But her mom would not let her. Her mom would only let her eat it for dessert after dinner and only if she ate all of her vegetables. Every night, for as long as she could remember, Kendra had apple pie after dinner.

One day, however, there was no apple pie. Instead of a plate of apple pie, Kendra's mom put a plate of chocolate cake in front of her.

"Mom?" Kendra asked. "Where is my apple pie?"

"Sweetheart, the store was all out of apple pie, and I really didn't feel like making apple pie, so I bought chocolate cake instead."
