

Rule Card

2+
Players

Object: Guess the noun on the card in 20 questions or less.

Set-Up: Spread cards face down in the center of the playing area

Play:

- The first player to go will hold their selected card on their forehead and ask the remaining players up to 20 questions to help identify whats on the card.
- Each player gets 20 questions before they lose their turn and goes to the next player.
- Any point during their turn they can ask "Am I ...?"
- If a card is correctly guessed, the player keeps the card and selects a new card from the playing area.
- If a card is not correctly guessed in 20 questions the player loses their turn and discards it.

Winning: The player with the most correctly guessed cards wins.
