

Welcome! This guide will help you get started with Apex Learning® Courses.

Getting Started Checklist

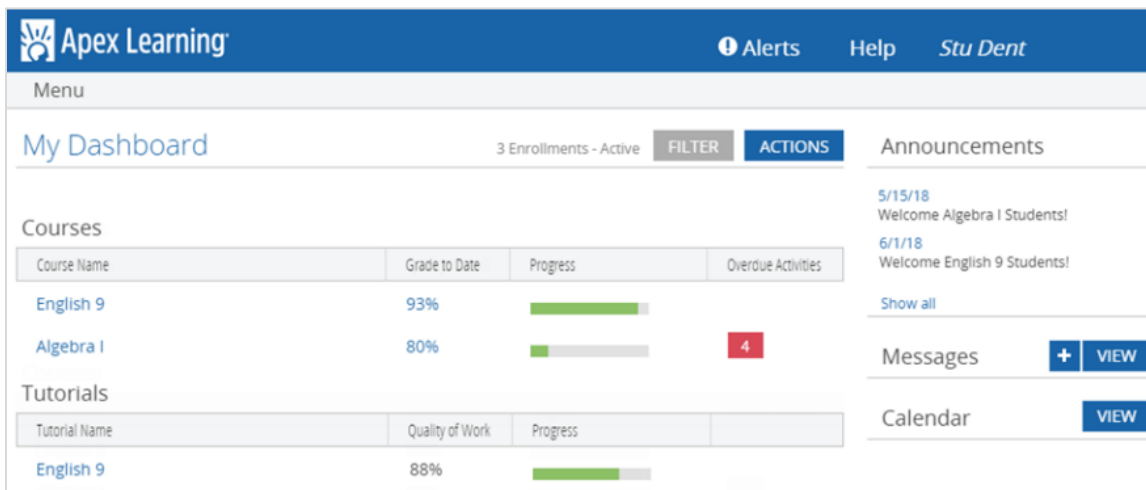

- Gather everything you need to succeed in class.
 - Device with internet access that has passed the [System Check-Up](#)¹
 - Course materials (such as printer, paper, ear buds, binder, calculator, required books)
 - Contact information for teachers
 - Course start and end dates
- Sign in, reset your password, and set up security questions.
- Launch the course window by selecting a course title from the My Dashboard screen.
- Online Help is available 24/7 by signing in to Apex Learning and selecting Help.

My Dashboard

Your school will provide your username, password, and the correct URL – most students sign in at www.apexvs.com. For security reasons, Apex Learning Support does not distribute sign in information.

After signing in, you are taken to My Dashboard where you can:

- Access your courses and view progress information
- See important announcements posted by your teachers
- Send messages and submit work to your teachers
- View your calendar of activity due dates

The Course Window

Most of your time will be spent working in the course window.

The screenshot displays the Apex Learning course window for English 9. The top navigation bar includes the course title and the Apex Learning logo. The main content area is titled "Unit 1: The Short Story, Part 1" and shows a progress bar with lessons 1.1 through 1.3. Below this, the current activity is "The Shape of a Story". A row of icons represents various activities, with callouts indicating "Course outline navigation" pointing to the icons and "Activity resources" pointing to a "Study guide" icon. The activity page itself shows the title "Analyze the Shape of a Story" and a paragraph of text. At the bottom, there are "PREVIOUS" and "NEXT" buttons, with a callout for "Activity page navigation".
