

# Reading Making Words • Ants .....

**Making Words** is an interactive activity that can be played with the whole class or small groups.

This activity works well with the **Skills Bank spelling lists**. Each **Skills Bank Spelling lesson** has a matching **Making Words** letter set. Each letter set includes 7 letters. From these, you and your students will be able to make some, but not all of the words from the matching spelling lesson.

There are more word combinations possible this is just a suggested list for you. A great activity to build word building, vocabulary and spelling skills.
