

Study Island 2020 Summer Questions Contest

Our school is participating in the Study Island Summer Questions Contest!

From May 24th to August 15th, our school is competing with schools across the country in the Study Island 2020 Summer Questions Contest.

How we can WIN!

Challenge your student to answer as many questions correctly as they can in Study Island while keeping an overall average of 60% correct or greater from May 24th to August 15th.

3 Student Winners for Most Questions Correct: The student with the most questions answered correctly for each grade span: K-5, 6-8, and 9-12 will each win a \$100 Target gift card.

2 Student Winners for Consistent Practice: Answer 20+ questions correctly per week for at least 9 of the 12 weeks with an overall percentage correct of at least 60%. — Two winners will be randomly selected from students who meet these criteria to receive a \$100 Target gift card.

Your Student's Login Information:

Study Island is accessible from any Internet-connected device in school and at home:
